IS YOUR FENCE DOING ITS JOB?

**30
YEAR**

*Limited
Warranty*

With Centaur, you'll always
know where your horse is...
safely contained.

Centaur HTP® flexible rail fence is the patented horse-friendly fence. Each rail is installed in a continuous length allowing the impact to be absorbed by the entire length of the fence. Our exclusive high-tensile polymer bracket with steel reinforced bar is virtually indestructible. Centaur HTP® is safer than wood, wire, or vinyl.

New Patented Technology
Ask about our optional features
Hot-Rail Electric HTP 5" eliminates
separate hot-wire and insulators.

Located at an elevation of 4,300' and within easy access to Southern California tracks, Dignitary Downs is a professional, full-service, "get-ready" thoroughbred facility. Some of the many features of Dignitary Downs are:

- 5/8-mile track with secure 4-stall starting gate
- Uphill/downhill recovery and alternate training course
- Euro Free Walkers
- Covered round pen
- 40-stall training barn plus 20-stall broodmare/lay-up barn
- Private pens with stalls
- Majority of paddocks are grass (1-5 acres)
- 24-hour staffing
- Tailored feed programs for special needs
- And much more

Track Conditions: With new sand and organic materials being woven into our track mix, we continue to have superior track training conditions.

Training: The combination of altitude, track conditions and Carlos Cabello, III's training methodology has enabled us to deliver healthy, fit and ready-to-race horses to your top-finishing trainers. In fact, 80% of the graduates from our training programs have gone on to win this past year including Athlete, Cat Lady, Hollywood Hood, Indian Breeze, Slew Fly, Lady Woodman and Zada Belle, who won and was subsequently sold for \$3 million.

Safety/Injury Report: We are proud of our pristine safety record with the state of California and the fact that we have a slim-to-none injury record since our beginning in late 2004.

We invite you to visit and experience the Dignitary Downs Difference.

Breeders' Cup Limited provides millions in purses and awards to owners and nominators through Thoroughbred Racing's only year-round national stakes program.

Nominated foals can earn a share of nearly \$30 million offered in Breeders' Cup Stakes races run throughout the United States and Canada each year as well as an additional \$23 million from the Breeders' Cup World Championships. All of which means a nominated foal is eligible to win millions in Breeders' Cup funds over the course of a normal racing career.

Foals that are sired by a Breeders' Cup, European Breeders' Fund or BCL/EBF Common Fund nominated stallion must be nominated to Breeders' Cup by October 15 of their weaning year by a nomination payment of \$500 (U.S.) or by payment of a \$1,500 (U.S.) late nomination fee before December 15. This one-time payment makes the foal eligible to participate in all facets of the Breeders' Cup program for its racing lifetime.

NOTE: The eligibility status of horses nominated to the Breeders' Cup is dependent on Nominator's compliance with conditions, rules and regulations of the Breeders' Cup Program. In accordance with the conditions of sale, the consignor is responsible for verifying Breeders' Cup eligibility as represented in the catalog or at the time of sale.

2007 FOAL NOMINATION

Deadline: October 15, 2007
\$500 (U.S.)/foal

2007 LATE FOAL NOMINATION

Deadline: December 15, 2007
\$1,500 (U.S.)/foal

2007 STALLION NOMINATIONS

Newly retired stallions may be nominated within 90 days of their first cover.

WHY IS IT...

A man wakes up in the morning after sleeping in an advertised bed, washes with an advertised soap, shaves with an advertised razor, sits down and drinks advertised tea or coffee, drives to work in an advertised car, writes with an advertised pen, then...he refuses to advertise. Says "advertising doesn't pay" but when his business fails he finally advertises.

“Foal to Yearling Halter”

(Patent Pending)

A Totally New Concept One Halter Does It All

2 Months

The revolutionary new “Foal to Yearling Halter” eliminates constantly changing halters as the foal matures. It also reduces expenses, as this halter will take the place of two or three. The pictures are of a two-month old foal and a sixteen-month old yearling. Both pictures were taken on the same day and

16 Months

both horses are wearing the same halter.

This halter is available in double-stitch, as pictured or as a “turn-out” halter with a lighter, single strap. Both halters are identical in quality and unique features.

Double Stitched is \$50 — Single Strap is \$40.

Currently, the Foundation's major projects are:

- Providing scholarships to U.C. Davis veterinary students
- Providing fellowships to veterinarians in equine medical research
- Presenting seminars on veterinary subjects for horsemen and laymen
- Encouraging alternative uses to Thoroughbreds with an annual high goal Thoroughbred pony award in the Spreckels Cup polo finals
- Maintaining the Carleton F. Burke Memorial Library, housing a world-class collection on equine subjects
- Maintaining the showcasing a collection of equine art, bronzes and trophies

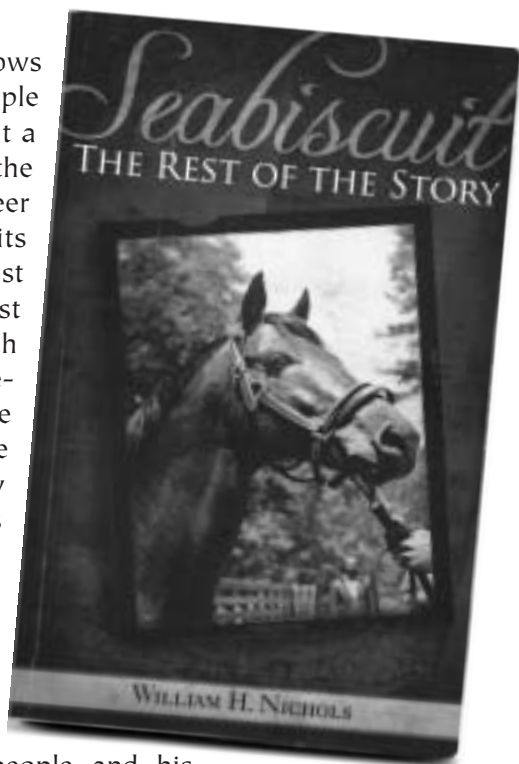

You can make good things happen!

Seabiscuit

THE REST OF THE STORY

“Bill Nichols knows Seabiscuit like few people alive today. He has spent a lifetime in racing, but the foundations of his career were built in Willits around the world’s most famous horse. Bill first learned to work with Thoroughbreds at Ridge-wood Ranch—the home of Seabiscuit—at a time when the legendary equine ruled the sports world. His interest and knowledge multiplied through the years, but his memories never faded. For fans who want to know more about Seabiscuit, his people and his progeny, Bill completes the story.”
