CHAMPIONSHIP
Performance Bred and Raised at HARRIS FARMS

Tiznow

California Chrome

Client loyalty and hard work on the part of the Harris Farms team for nearly five decades have produced hundreds of winner's circle celebrations and incredible milestones for California's Thoroughbred industry: the first California-bred Kentucky Derby and Preakness Stakes winner **California Chrome** and the only two-time Breeders' Cup Classic winner **Tiznow**. Both received Eclipse Awards as Horse of the Year and champion 3-year-old males.

Our record speaks for itself. Give your horse the Harris Farms advantage.

California Thoroughbred Breeders Association

NEW REGISTRATION PROCESS

The California Thoroughbred Breeders Association has launched a streamlined registration process that eliminates the need to send the original Jockey Club Certificate to the CTBA to complete the Cal-bred or Cal-sired registration.

Once the Cal-bred or Cal-sired application and fee are submitted to the CTBA, and a certificate has been issued by The Jockey Club, the CTBA will be notified by The Jockey Club and will send a sticker to the person or farm submitting the application to be affixed to the Jockey Club Certificate verifying the Cal-bred or Cal-sired registration.

The sticker will be similar to ones used for annual vehicle registration by the Department of Motor Vehicles.

Certificates that were already processed by the CTBA, and returned to applicants, will not need or receive a sticker.

JTS
ANIMAL BEDDING™

A CONSISTENTLY RELIABLE PRODUCT

If we shopped around and bought from whatever mill had a surplus that week, our customers would never know what to expect. So we buy from the same mills, week in and week out. That assures a dependable, consistant product you can always rely on.

FRESH, QUALITY PRODUCT

We don't "pack for inventory" and keep our bagged product in warehouses for weeks or months. Our goal is to ship it fresh, usually the same day it is packed. We inspect and stand behind every load – your guarantee of the very highest quality product.
