*Looking for someone to start yearlings? Listen to what people are saying about*

# Cole Ranch

*"I thought I was saddling a four-year-old rather than a two-year-old. . . and that was on the colt's very first day at the track."*
**– Kristin Mulhall**

*"Steve consistently delivers horses that are ready to rock and roll. They are well broke in every respect and a pleasure to train."*
**– Mike Puype**

*"The last horse Cole Ranch brought us went to the main track the next morning, galloped like a seasoned professional and was comfortable with all the little things as well."*
**– Kent Swazy, assistant to Eoin Harty**

*"Two year olds from Cole Ranch are prepared well above the norm with soft mouths and mannerly dispositions ready to begin their careers as race horses."*
**– Patty Harrington**

*"Horses from Cole Ranch are well started. They do everything they're supposed to do from day one."* **– Steve Specht**

*"When Steve brings a horse to me, I know it will have been started correctly. They're fit and well prepared, manageable and eager."*
**– Howard Zucker**

*"Every horse Steve has trained for us has been well prepared. Our trainers have only the best things to say about him. It comes down to confidence. Steve doesn't take short cuts."*
**– Richard Reid, Three Cent Stables**

*"Steve starts all my horses. The horses always look great and behave like older horses. He takes his time and obsesses about the little things. He loves his work and it shows."*

ANIMAL BEDDING™

## A CONSISTENTLY RELIABLE PRODUCT

If we shopped around and bought from whatever mill had a surplus that week, our customers would never know what to expect. So we buy from the same mills, week in and week out. That assures a dependable, consistant product you can always rely on.

## FRESH, QUALITY PRODUCT

We don't "pack for inventory" and keep our bagged product in warehouses for weeks or months. Our goal is to ship it fresh, usually the same day it is packed. We inspect and stand behind every load – your guarantee of the very highest quality product.
